

## Taste of OSU Kitchen Dress Code Policy

Appropriate dress is important for the safety and success of our event. Our guests will gauge the quality of this event by the way we present ourselves; so, all students are expected to come well-groomed and neatly dressed. Plan to come with clean skin and nails, use cologne or perfume in moderation, and wear appropriate garments for working in a kitchen.

### **Our Dress Code: Head to Toe**

- 1. Hair must be clean and combed.**
- 2. Hat or hair net should always be worn. Headwear required for a religious purpose is welcomed.**
- 3. Facial hair should be neatly groomed.**
- 4. Shirts must be clean, neat and free of offensive graphics or words. Shirts that are designed to be tucked in should be tucked in. When staff uniforms are issued or required, they must be worn.**
- 5. Ohio State clothing is encouraged.**
- 6. Shorts, skirts, capris pants and tank tops are not permitted for your safety.**
- 7. Pants should be neat, clean and free of holes.**
- 8. Closed-toed shoes with non-slip soles are required. NO SANDALS.**

These are our minimum standards. In some areas and for some purposes, the appearance standards may be more stringent. All students are encouraged to exceed these standards and dress as professionally as possible. You may be asked to leave the work site if your appearance is deemed inappropriate by an immediate supervisor or other management personnel.
